Flutter

Welcome

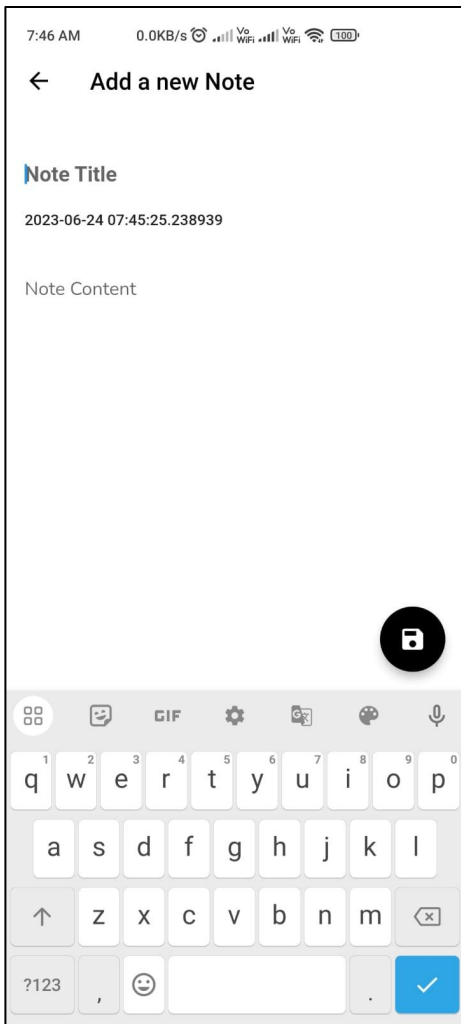

Keep track of your notes and idea easily with our user-friendly interface. Stay organized and productive

 Continue with Google

```
Container(  
  child: Column(  
    children: [  
      Image.asset("images/sign_in.png"),  
  
      Text("Welcome),  
  
      Text("Keep track of your notes and idea easily with our  
        user-friendly interface. Stay organized and productive"),  
  
      ElevatedButton();  
    ],  
  ),  
)
```

Firebase

```
import 'package:cloud_firestore/cloud_firestore.dart';
```

```
FloatingActionButton(
```

```
  onPressed: () async {
```

```
    DocumentReference noteRef = userRef.collection("Notes").doc();
```

```
    await noteRef.set({
```

```
      "note_title": _titleController.text,
```

```
      "creation_date": date,
```

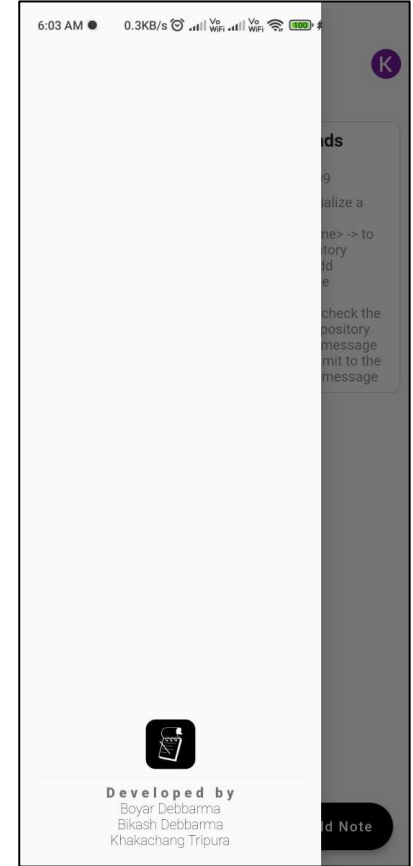

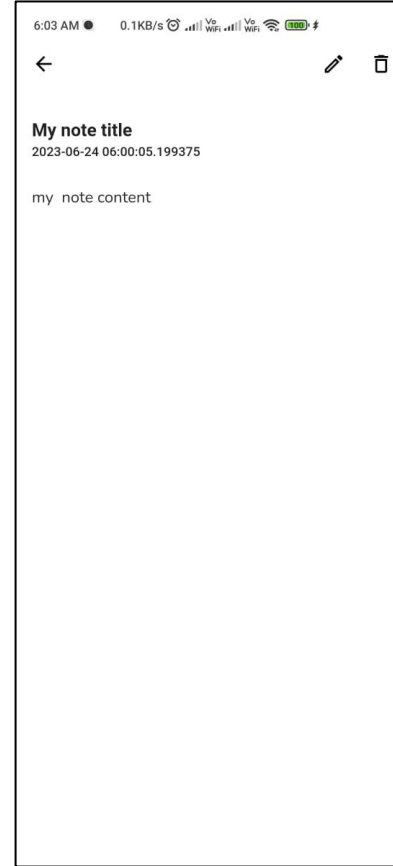

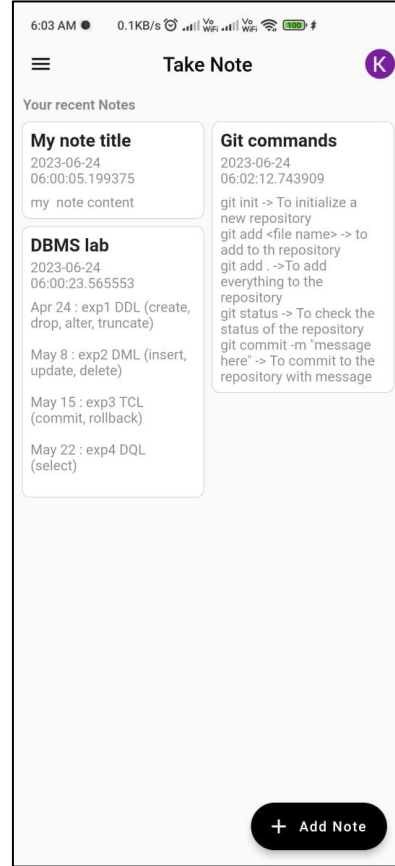

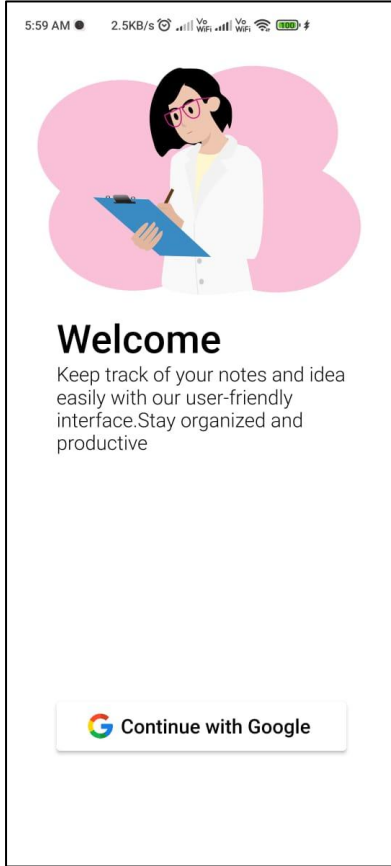

```
      "note_content": _mainController.text,
```

```
    });
```

```
  },
```

```
  child: Icon(Icons.save),
```

```
)
```

Thank You
